Dylan's deep seating comfort is sure to be enjoyed by all. Contrast stitching highlights the detail found in this large scale design. The double pillow back gives Dylan a luxurious look that compliments a layered pad arm. A wide range of seating choices and queen sleeper are available in four leather colors.

Creating fine upholstered furniture for more than a century, Flexsteel offers comfort and durability, backed by lifetime warranted frame and blue steel seat spring. Latitudes luxury seat cushions feature high-resiliency polyurethane foam with a fiber wrap and are warranted for five years.
