The automotive-inspired seat design is Brandon's signature style. Pillow pads rest on sweeping track arms. The double pillow back and chaise seating offer sink-in comfort. Multiple seating options are available in two leather colors and one fabric color.

Creating fine upholstered furniture for more than a century, Flexsteel offers comfort and durability, backed by a lifetime warranted blue steel seat spring. Warranties include the reclining mechanism for five years; seat cushions and frame for two years.

Shown in 425-54 leather.
